

A PUTTER TOWEL CLIP

Edmond Ken Lee

Barry Kitazumi

ABSTRACT

A clip used to attach a towel to a golf club, (e.g., a putter). The clip has an opening to attach to the golf club, and an opening to attach to the towel. The clip may be mechanically attached to the club, or may use magnets. The towel may be permanently attached to the clip or may be removable. Methods for attaching a towel to a golf club and manufacturing the clip are also provided.
